

# Protect your purchase with Service Protection Plus™

## What coverage do you get?

- Functional Parts and Labor Costs – no out-of-pocket expenses for a covered failure
- Surge Protection – if your product fails due to power surge, it's covered
- Food Loss – up to \$100 allowance on refrigerators and freezers
- No Lemon – replacement upon the 3rd service call for the same major failure
- Unlimited Service Calls – with service provided by GE authorized technicians
- In-Home Service – when it's convenient for you
- No Hidden Costs or Deductibles – once your contract is in effect, you're covered
- Non-Repairable – if your product is not repairable, you get a new one at no extra charge

Coverage is subject to certain limitations. Consult the terms and conditions for complete details. Service Protection Plus is a trademark of General Electric Company.
